

Rainwater, Holt & Sexton Hosts 4th Grade Class

In a continued effort to support local schools, Rainwater, Holt & Sexton hosted a 4th grade class from Little Rock Christian School. The purpose of the event was to educate the children on economic issues in a business setting. The kids gathered around the conference table for the program and had a question and answer session with the firm's Partners about the daily activities in a law practice, and the relationships between attorneys and their clients. The students were then treated to a pizza party and gift bags.
